PART 1

1.1 Purpose:

The purpose of this report is to provide the Audit Committee with an interim (half yearly) monitoring statement in respect of the Strategic Audit Plan for 2016/17 (this document is attached as **Appendix A**).

1.2 Recommendation(s):

It is recommended that the Audit Committee considers and notes the progress set out in the Strategic Audit Plan Interim Monitoring Statement, attached as **Appendix A**, and the level of planned coverage achieved by Internal Audit at this stage in the year.

1.3 Council plan and policy framework

The work of Internal Audit and the Audit Committee covers all service responsibilities as identified within the Council Plan.

1.4 Information

Strategic Audit Plan 2016/17 Interim Monitoring Statement

- 1.4.1 The Strategic Audit Plan 2016/17 was presented to, and approved by, the Audit Committee at its meeting on 30 March 2016. The Strategic Audit Plan helps to ensure that Internal Audit is able to meet its aims as an independent appraisal function for the Authority, and sets out Internal Audit's objectives (based on an assessment of risks and opportunities for the organisation) in the medium term.
- 1.4.2 The Strategic Audit Plan is supplemented with a detailed Annual Audit Plan, which sets out the key objectives for the audit reviews identified to take place during 2016/17.

- 1.4.3 An Interim Monitoring Statement, outlining progress against the Audit Plan for 2016/17, is attached as **Appendix A**. The Interim Monitoring Statement shows that 95.24% of profiled audit work is now complete or significantly underway at this stage in the year. 1 audit originally planned to be performed in the first half of the year has been re-allocated to later in the year. This adjustment is a normal part of Internal Audit's planning and performance management processes, and ensures that audit resources are directed to areas of maximum benefit to the Authority.
- 1.4.4 In 2012, North Tyneside Council entered into a shared service arrangement, jointly with Northumberland County Council, for the provision of Internal Audit and Risk Management services. North Tyneside is the host authority, leading the delivery of assurance services across both Councils. The impact on internal audit resourcing and audit coverage is continuing to be carefully monitored, to ensure that the assurance resource requirements of both Authorities can continue to be sufficiently met.
- 1.4.5 The Annual Audit Plan for 2016/17 will continue to be kept under review, and progress reported to the Audit Committee in March 2017 along with the Strategic Audit Plan for 2017/18. A full outturn on the 2016/17 Annual Audit Plan will be reported to the Audit Committee in May 2017. Regular quarterly monitoring and adjustment of the Plan is performed as a matter of course within the Internal Audit team.

1.5 Decision Options:

It is recommended that the Audit Committee notes the level of coverage set out in the Strategic Audit Plan Interim Monitoring Statement, attached as **Appendix A**.

There are no other options available in relation to this report.

1.6 Reasons for recommended option:

This recommendation will allow the Authority to operate in line with legislation, good practice and professional guidance.

PART 2 – COMPLIANCE WITH PRINCIPLES OF DECISION MAKING

2.1 Finance and other resources

The Internal Audit service supports the Chief Finance Officer in discharging the requirements of section 151 Local Government Act 1972, which requires that local authorities ‘make arrangements for the proper administration of their financial affairs’. Internal Audit examines the Authority’s systems of internal control, and the economy, efficiency and effectiveness with which resources are deployed.

There are no financial implications arising from the recommendations set out in this report.

2.2 Legal

The Accounts and Audit Regulations 2015 require the Authority to undertake an effective internal audit to evaluate the effectiveness of its risk management, control and governance processes, taking into account public sector internal auditing standards or guidance. The Public Sector Internal Audit Standards and related Local Government Application Note require that the head of Internal Audit should report periodically to senior management and the board on Internal Audit matters, including “performance relating to its plan”.

2.3 Consultation/community engagement

The Strategic Audit Plan 2016/17 was prepared following consultation with: the Chief Executive; Deputy Chief Executive; Head of Finance (Chief Finance Officer); all Heads of Service; and Cabinet Member for Finance and Resources.

2.4 Human rights

There are no human rights issues arising from this report.

2.5 Equalities and diversity

There are no equality and diversity issues arising from this report.

2.6 Risk management

The risks associated with this report have been considered and discussed with the Senior Risk Advisor and will be managed in accordance with the North Tyneside Council risk process. The Strategic Audit Plan has been prepared following the assessment of risks facing the organisation, and those inherent in the areas proposed for review.

2.7 Crime and disorder

There are no specific crime and disorder issues arising from this report. The work of Internal Audit is a key strand in the Authority's counter-fraud arrangements, as set out in the Strategic Audit Plan.

2.8 Environment and sustainability

There are no environment and sustainability issues arising from this report.
