PART 2 – COMPLIANCE WITH PRINCIPLES OF DECISION MAKING

2.1 Finance and other resources

There are no financial implications directly arising from the amendments to the Implementation Plan included in this report as no decisions are being made as part of this agenda item.

Any individual decisions made in the reports contained in Agenda Item 6 (k)(ii) at this Cabinet meeting will be reflected in subsequent versions of the Implementation Plan.

The financial impact of Cabinet's considerations of the Implementation Plan at the meetings on 28 March 2012, 16 April 2012, 14 May 2012, 11 June 2012, 9 July and 13 August has been assessed. Based on the outcome of Cabinet's decisions up to and including the 13 August 2012 meeting, there are additional resources available totalling £0.302m.

Unless alternative proposals are agreed by Cabinet, any such amounts would be added to the Strategic Reserve and its future use will be determined in accordance with the Reserves and Balances Policy.

2.2 Legal

Under the Council's executive arrangements, Cabinet has responsibility for all matters of Council business except where otherwise provided for in law, in particular by the Local Authorities (Functions and Responsibilities) (England) Regulations 2000. Under these Regulations, some Council functions are reserved to full Council, and others are shared between Cabinet and Council. The Implementation Plan identifies where responsibility lies in relation to each proposal. In this report Cabinet is requested to agree the steps (if any) to be taken in respect of those proposals which fall within its areas of responsibility.

Bearing in mind their respective roles under executive arrangements, the implementation of the Council Plan is the responsibility of both Cabinet and Council, and it is the responsibility of both Cabinet and Council to ensure that the Council's Budget remains balanced at all times.

2.3 Consultation/community engagement

2.3.1 Internal consultation

Council approved the Budget 2012/13 and Council Plan 2012/15 on 1 March 2012. Internal consultation regarding the Implementation Plan has been undertaken with the Strategic Directors, Heads of Service and the Elected Mayor.

2.3.2 External consultation/ engagement

Consultation on some elements of the Council Plan and Budget has taken place. More detailed engagement will take place as required on actions to support decision making. This will form part of the Implementation Plan.

2.4 Human rights

The Council's human rights obligations will be complied with as the Implementation Plan is taken forward.

2.5 Equalities and diversity

Full Impact assessments will be completed as required prior to any individual decisions on relevant items in the Implementation Plan.

2.6 Risk management

Individual projects within the Council Plan are subject to full risk reviews. For larger projects, individual project risk registers are established as part of the Council's agreed approach to project management. Risks will be entered into the appropriate directorate, corporate/

strategic or project risk register(s) and will be subject to ongoing management to reduce the likelihood and impact of each risk.

2.7 Crime and disorder

There are no crime and disorder implications directly arising from this report.

2.8 Environment and sustainability

The Implementation Plan refers to a number of items in the Council Strategic Plan which are concerned with environmental and sustainability issues.

Appendix 1: Implementation Plan

1. Introduction

Following the approval of the Council Plan and Budget 2012/13 on 1 March 2012, Cabinet need to consider the implementation arrangements. In setting the Council Plan and Budget, the Council creates a policy and financial framework but decisions with regard to implementation are matters for Cabinet.

The Cabinet is able to take no decision in respect of a matter or issue where they do not wish to create a new activity or terminate/change an existing arrangement. Simply, Cabinet is under no obligation or instruction to positively implement proposals in the Plan or Budget, provided they do not take decisions that would lead to a potential deficit budget. Taking no action is not a decision in this sense but merely allows the status quo to continue.

Where the Cabinet wish to make a decision they must have regard to the Plan and Budget as described above plus they must have regard to their other statutory duties in reaching a decision.

2. Implementation Plan

Attached is the latest version of the Implementation Plan prepared in consultation with the Elected Mayor for Cabinet's consideration, discussion and amendment if necessary. Changes are highlighted in bold type. Previous versions of the implementation Plan agreed by Cabinet 28 March, 16 April, 14 May, 11 June, 9 July and 13 August have been provided to Overview and Scrutiny for their consideration. Following approval of the current, revised Implementation Plan by Cabinet 10 September, the Implementation Plan will be offered to Overview and Scrutiny Committee for consideration and then reconsidered by Cabinet at the next Cabinet meeting alongside any comments received from Overview and Scrutiny Committee.

The Implementation Plan indicates the position that Cabinet are adopting for each of the proposals emerging from Council on 1 March 2012. In some cases No Action is to be taken, in other cases further reports are to be prepared and considered by Cabinet within the timescales indicated in the Implementation Plan. Decisions will be taken at Cabinet meetings over the next few months when appropriate reports have been prepared and considered. A number of reports appeared earlier on this agenda. After each Cabinet the Implementation Plan will be referred to Overview and Scrutiny Committee for comments and then final consideration by Cabinet.

In terms of reporting on progress with regard to the Implementation Plan, it is proposed that as it is clearly Cabinet's Implementation Plan it will be reported to each Cabinet meeting until all the proposals have been considered and, where appropriate, implemented. It will also be reported to Overview and Scrutiny Committee alongside the existing Performance Reports on the Change, Efficiency and Improvement Programme (in year and future years) and the budget (usually to Finance Sub-Committee on behalf of Overview and Scrutiny Committee). There is also a specific requirement to report the Implementation Plan to each Council meeting from the Ordinary Council Meeting in June 2012 onwards.

3. Seventh Consideration

The Draft Implementation Plan was initially considered by the Special Cabinet meeting on 28th March. Cabinet considered what, if any, decisions need to be taken and indeed where No Action is to be taken. The decisions and indications of No Action identified in the draft will

continue to deliver a balanced, non deficit budget as explained in the financial implications section of the covering report.

Versions of this Implementation Plan, as it has developed, have been agreed at Cabinet Meetings on the 28 March, 16 April, 14 May, 11 June, 9 July and 13 August and further consideration will follow at future Cabinet meetings based on the premise that at all times the budget will balance within 2012/13. This report also allows Cabinet to have regard to the comments received from Overview and Scrutiny Committee. In particular the revised Implementation Plan sets out the current position in relation to items numbered 3 and 5 in the Plan. Decisions, as opposed to No Action, will be judged against the legal advice in relation to the considerations that Cabinet must have in mind, including any decision that may be argued to be contrary to the Council Plan.

4. Resolution of Uncertainty

Where there is uncertainty about any proposal (either lack of clarity in the Council Plan wording or descriptions used in the budget resolution of 1 March 2012), then the Chief Executive will seek to convene a discussion between the Elected Mayor and Group Leaders to endeavour to resolve the uncertainty by agreement.
