- (a) Advise Cabinet of the forecast budget monitoring position for the General Fund, Housing Revenue Account and Schools' Finance as at 31 January 2014 (Annex 1, Sections 2, 3 and 4);
- (b) Advise Cabinet of the current position in respect of the allocation of the Contingency budget as at 31 January 2014 (Annex 1, Section 2);
- (c) Seek Cabinet approval for the receipt of the new revenue grants (Annex 1, Section 2, Paragraph 2.16, Table 2 and Appendix G);
- (d) Advise Cabinet of the Authority's Capital Plan spend to 31 January 2014 and the financing of the Plan to the end of the year (Annex 1, Section 5); and,
- (e) Seek Cabinet approval for variations of £0972m and reprogramming of £0.700m within the Capital Plan (Annex 1, Section 5, Tables 4 and 5 and Paragraphs 5.5 and 5.6).

1.2 Recommendations:

1.2.1 It is recommended that Cabinet:

- (a) Note the budget monitoring position as at 31 January 2014;
- (b) Note the allocation of the Contingency budget at 31 January 2014;
- (c) Approve the receipt of new revenue grants;
- (d) Note the level of spend on the Capital Plan as at 31 January 2014; and,
- (e) Approve the variations of £0.972m and reprogramming of £0.700m within the Capital Plan.

1.3 Forward Plan

This report was included in the Forward Plan published on 11 December 2013.

1.4 Council plan and policy framework.

The budget is a key strand of the Authority's Budget and Policy Framework.

1.5 Information - Executive Summary

1.5.1 Annex 1 to this report sets out the budget monitoring position as at 31 January 2014, and includes forecast outturn positions for 2013/14 for the General Fund, the Housing Revenue Account and the Capital Plan, including a summary of schemes delivered. The Annex also includes an update on Schools.

1.5.2 **General Fund Revenue Budget:** As at 31 January 2014, the forecast year-end position reflects in-year surplus of £1.877m, a significant improvement since the last report to Cabinet for the period ending 30 November 2013. Services have improved their overall position by £1.779m reflecting the successful delivery of actions such as the management of non-essential expenditure and maximising savings. Non-delegated budgets have improved by £1.374m. Of this improvement £ 0.745m related to a S31 grant received in respect of Business Rate Relief awarded, an Airport Dividend of £0.285m.

1.5.3 **Housing Revenue Account (HRA):** The HRA is forecast to have year-end balances at 31 March 2014 of £2.525m, which is £0.819m higher than budget. The higher than forecast balances are mainly as a result of higher opening balances due to the impact of previous years' financial performance (£0.578m). The forecast in year surplus is an estimated £0.241m

1.5.4 **School finances:** This report includes an update in respect of work in progress with regard to 2014/15 school funding (Annex 1 Section 4).

1.5.5 **Capital Plan:** The Capital Plan budget for 2013-23, adjusted for various revisions approved by Cabinet and Council, is £407.230m. Variations of £0.972m and reprogramming of £0.700m are proposed in this report. Full details are shown in section 5 of the annex to this report. The report also sets out some of the achievements in terms of delivery of projects in the first ten months of the financial year, as well as summarising the level of spend on projects for the year.

1.6 Decision options:

Cabinet may agree the recommendations as set out in Section 1.2 of this report. Alternatively Cabinet can disagree with the proposals. The main decision option is around the approval of the variations to the Capital Plan.

1.7 Reasons for recommended option:

Cabinet is recommended to agree the proposals set out in section 1.2 of this report as it is important that Cabinet continues to monitor performance against the budget, especially given the current level of financial pressures faced by the public sector. The variations to the Capital Plan will reduce the requirement for Council Contribution to the financing of the Capital Plan.
