Recognising Carers

- •Recognise the contribution I make to society
- •Recognise the impact of caring on me
- •Recognise my expertise
- Take my needs into consideration
- Recognise that I have a life of my own outside of caring and may have other commitments

Valuing Carers

- Listen to what I have to say
- Respect my views
- •Show me you care about me and my needs, as well as the person I care for
- •Ensure equality of access to all services

Information and Advice

- •Give me information in a timely manner
- Check that I have fully understood and been able to take on board what you have told me
- •Make me aware of my rights and what I am entitled to
- Advise me how to access support and services

Involving Carers

- •Involve me in assessments, care planning and reviews
- •Offer me meaningful and timely involvement
- •Involve me in decisions about the person I care for
- •Be flexible and offer meetings at times which meet my needs
- •Feedback to me so I know the outcome of my involvement
- •Involve me when you make changes and/or develop new services
- •Respect confidentiality but don't use it as a barrier to involving me
