

**North Tyneside Council
Report to Council
Date: 26 July 2012**

ITEM 1

**Title: Questions by
Members of the
Public**

Notice has been received of the following questions from members of the public to be put to the Council meeting:

1. Question by Mr C Croft of Wallsend

‘Would the Mayor please explain why applications for Mobile Phone Masts in North Tyneside are dealt with in what appears to be an unfair manner. For instance, Mast applications with large numbers of resident objections are granted on appeal whereas applications with few, or no, resident objections are rejected. The concerns of many worried, concerned residents right across the borough are being ignored?’

2. Question by Mrs E Furness of Whitley Bay

‘Can the Mayor confirm that the Council expenditure in the financial year just ending, did not exceed the budget?’
