Members of the Council

Notice has been received of the following questions from Members of the Council to be put to the Council meeting.

1. Question to the Elected Mayor by Councillor Matthew Thirlaway

Would the Elected Mayor provide an update on the regeneration of Wallsend town centre?

2. Question to the Elected Mayor by Councillor Anthony McMullen

We have debated on a number of occasions, problems associated with the Capita partnership contract. Can the Mayor update members on the progress being made to resolve these issues.

3. Question to the Elected Mayor by Councillor Nigel Huscroft

The Council's policy for dealing with residents complaints regarding pavement and road repairs is leading to distress and criticism of the Council, will they agree to review the policy and adopt a more caring and sympathetic response.

4. Question to the Elected Mayor by Councillor Marian Huscroft

In view of the conditions prevalent in at least some of the sheltered Housing Units under refurbishment, where residents haven't been decanted or rehoused while work has been ongoing, as well as the obvious inconvenience for residents, the lounges have been closed and some of the communal facilities unavailable, yet the residents have still been charged for them, will the Mayor reconsider this with a view to offering a refund?
