

Meeting: Environment Sub-committee

Date: 3 February 2016

Title: Update on Future Reporting Arrangements of the North Tyneside Surface Water and Drainage Partnership

Author: Dave Parkin

Tel: 0191 643 5316

Service: Law and Governance

Wards affected: All

1. Purpose of Report

The purpose of this report is to update the Environment Sub-Committee on the reporting frequency of the Surface Water and Drainage Partnership to Cabinet and to note that reports would in future be presented to the Sub-committee on an annual basis.

2. Recommendation

(1) To note the report

3. Details

On 14 January 2013 Cabinet considered the final report which of the Flooding Task and Finish Group which had been established after the severe flooding events in 2012. In doing so, Cabinet agreed to establish the North Tyneside Surface Water and Drainage Partnership.

It was agreed that the Environment Sub Committee would examine the report on the work of the North Tyneside Surface Water and Drainage Partnership and if considered appropriate submit comments to be considered by the Cabinet.

At the meeting of the Cabinet held on 14 December 2015 it was decided that the Cabinet would in future consider the report of the North Tyneside Surface Water and Drainage Partnership on an annual basis.
