## **1. Purpose of Report**

The purpose of this report is to present the findings of the Waste Collections Post 2017 Sub Group.

## **2. Recommendations**

- (1) To note the report of the Waste Collections Post 2017 Sub Group; and
- (2) To refer the report to the Overview, Scrutiny and Policy Development Committee with a recommendation that the report be presented to the Cabinet

## **3. Details**

- 3.1 As part of the Environment Sub Committee work programme for 2015/16 members agreed to set up a sub group to carry out a study into the key issues facing the authority in relation to its waste collection and recycling service when the weekly collection support scheme ended.
- 3.2 It was agreed that the main focus of the study would be to consider the various options in relation to waste collection and to identify how to improve recycling in the borough.
- 3.3 Members held a series of evidence gathering sessions and the findings and recommendations of the Sub Group can be found in the full report attached as Appendix A.
