1. Purpose of Report

To explain the background and objectives of Local Development Document LDD12: Transport and Highways. This Supplementary Planning Document, which is being revised, is to set out the policies and procedures adopted by North Tyneside Council with regard to the traffic and transport impacts of new developments. The document provides direction and guidance for prospective developers to ensure that the transport implications of new developments are rigorously and consistently assessed and appropriate mitigation measures secured.

2. Recommendations

The sub-committee is invited to:

- a) note the reviewed and updated Supplementary Planning Document - Local Development Document LDD12 - Transport and Highways; and
- b) provide input into the content of the document, through questions and comments to officers at the meeting.

3. Information

The original Supplementary Planning Document - Local Development Document LDD12 - Transport and Highways was adopted in 2010. To reflect the emerging North Tyneside Local Plan and the wider policy context, the document has been reviewed and amended by officers and stakeholder engagement is ongoing. Comments received are reviewed and further amendments carried out where appropriate.

The Cabinet Member for Housing and Transport, Councillor John Harrison, attended a meeting of the sub committee on 16 November 2016 to give details of the emerging North Tyneside Transport Strategy. At this meeting, the engagement process for LDD12 was discussed and it was agreed with the Chair of the sub committee and Cllr Harrison that LDD12 should be put on the agenda for a meeting of the sub committee.

This report seeks to:

- a) make members aware of the amended Supplementary Planning Document - Local Development Document LDD12 - Transport and Highways; and
- b) provide the sub committee with an opportunity to comment on the amended Supplementary Planning Document - Local Development Document LDD12 - Transport and Highways.
