### **1. Purpose of Report**

- 1.1** To inform Housing Sub-committee of Cabinet's response to the recommendations received as part of the Future Construction Options Sub-group report.

### **2. Recommendations**

- 2.1** The sub-committee is recommended to note the contents of the report.

### **3. Details**

- 3.1** At its meeting on 11 July 2016, Cabinet received the report of the Future Construction Options Sub-group. This sub-group had been established by Overview, Scrutiny and Policy Development Committee to consider the long term construction requirements of North Tyneside Council and what delivery options should be considered post 2019, as well as those issues which would be important for Cabinet to consider when it weighed those options.
- 3.2** A further report was submitted to Cabinet at its meeting on 12 September 2016, which contained a response to the recommendations of the sub-group (which were accepted) and the future actions proposed. This report is attached as Appendix A.
- 3.3** At a meeting of scrutiny chairs and deputies in July 2016, it was highlighted that Housing Sub-committee should be kept informed of the response to the recommendations of the Future Construction Options sub-group and monitor future developments in this area.
