PART 2 – COMPLIANCE WITH PRINCIPLES OF DECISION MAKING

2.1 Finance and Other Resources:

There are no financial implications for the Council arising from this report. The cost of collating the data can be met from the existing Licensing revenue budget.

2.2 Legal

2.2.1 Legislative Framework

Part 2 Section 10(1)(b) of the Licensing Act 2003 provides that a Licensing Committee may arrange for the discharge of any functions exercisable by it by an officer of the licensing authority.

Part 8 Section 154 of the Gambling Act 2005 is the enabling power for delegation of responsibility for licensing decisions under that Act to the Licensing Committee, Sub-Committee and officers.

2.2.2 North Tyneside Council's Statement of Licensing Policy

A scheme of delegation of decision making and functions is attached to the North Tyneside Council Statement of Licensing (Licensing Act 2003) and to the North Tyneside Council Statement of Licensing (Gambling Act 2005), (**Appendix 1 and 2)**.

2.2.3 **Principles of Better Regulation**

The Licensing Act 2003 and Gambling Act 2005 are specified in The Legislative and Regulatory Reform (Regulatory Functions) Order 2007. As a result Part 2 of the Legislative and Regulatory Reform Act 2006 applies. The Council must therefore have regard to the prescribed statutory principles by ensuring that its regulatory activities are carried out in a way which is transparent, accountable, proportionate and consistent. In addition, those regulatory activities should be targeted only at cases in which action is needed.

2.3 Consultation/Community Engagement:

A comprehensive 12 week public consultation exercise took place prior the adoption of the North Tyneside Council Statement of Licensing (Licensing Act 2003) and to the North Tyneside Council Statement of Licensing (Gambling Act 2005).

2.4 Human Rights:

The economic interests connected to the use of a licence may be considered to be a possession belonging to existing licensees and as such are afforded protection under Article 1 of Protocol 1 of the European Convention on Human Rights. Any decisions therefore made in relation to a licence application need to be fully considered. An individual also has the right to a fair hearing under Article 6 of the European Convention of Human Rights. The proposed procedure will assist in ensuring that a fair hearing does take place.

2.5 Equalities and Diversity:

There are no equality and diversity implications arising from this report.

2.6 Risk Management:

There are no significant risk management implications to the Council arising from this report.

2.7 Crime and Disorder:

It is not considered that there are any crime and disorder implications arising from this report. The police receive copies of applications made under the Licensing Act 2003 and Gambling Act 2005 and are invited to make representations if they so wish.

2.8 Environment and Sustainability:

It is not considered that there are any environment and sustainability implications arising from this report.
