

## **ROLE AND KEY PRINCIPLES OF A LOCAL AUTHORITY GOVERNOR**

For example : Local Authority Governors may bring particular issues to the LA to seek its view or may receive briefings from the LA in relation to particular issues;
- to declare any pecuniary or conflicts of interest at each meeting;
- not to use the governor role for political gain;
- not to use political influence to promote his/her school as opposed to other schools in the borough for gain, or to the detriment of another school;
- to report any evidence of fraud, corruption or misconduct to an appropriate person or the Local Authority;
- to read briefings provided by the LA specifically for Local Authority governors;
- to attend briefings provided by the LA specifically for Local Authority governors;
- to familiarize themselves with LA policy and, where necessary, be able to explain LA policy to other governors on the governing body;
- to recognise that all governors are equal and have the same rights and responsibilities, unless particular responsibilities are delegated to them by the full governing body;
- to understand that no governor can act alone, except in exceptional circumstances prescribed in the Regulations i.e. emergency powers of the Chair, the power of the governing body rests in it acting as a single corporate body.
