3. Details

Background

- 3.1 At its meeting on 10 June 2013, Cabinet considered the Senior Leadership Team's Progress Report 1 April 2012 to 31 March 2013. Cabinet also considered the NTSP Annual Performance Report 2012-13, which reviews end of year performance against the priorities outlined in the Sustainable Community Strategy 2010-13. These reports are now submitted to Overview and Scrutiny Committee for consideration and comment.
- 3.2 The Senior Leadership Team's progress report is the last report that will be presented to Overview and Scrutiny Committee as part of the current corporate performance management framework. A new corporate performance management framework will be developed and subsequent performance reports will therefore be different in content and format.
- 3.3 The NTSP progress report will also be the final quarterly report of the current Sustainable Community Strategy prior to the development of any future plan for the Council and its Partners.
