Proposal: Front windows to be replaced like for like in white upvc

Applicant: Mr Gordon Ogle, 10C Priors Terrace Tynemouth Tyne And Wear NE30 4BE

Additional representations

1no additional objection has been received. The grounds of objection are summarised below:

- The street is a very special street and has to date retained its amazing history extremely well.
- I think the windows stand out as very new and plastic, are not of the appropriate period, detract from the ambiance of the street and are not in keeping.
- Other windows in the street are wood sash windows.
